ANNEXURE - I

Statement showing the Article of Charge framed against Sri G.Srinivas, AE, Ex. Dharoor presently working as AE, MP, Pargi

CHARGE:

that Sri G.Srinivas, AE, Ex. Dharoor presently working as AE, MP, Pargi has misused his official position for his personal gain and committed irregularities in execution of work "Providing r/f Godamguda to Zaidipalli in RR Dist" and he recording the substandard work and excess measurements resulting loss to the Govt., in contravening the APCS Rules, 1964.

BASIS:

The V&E vide Report No.132 (661/V&E/E2/09), dt:21-10-10, have observed the following duly verified the work "Providing r/f Godamguda to Zaidipalli in RR Dist"

The GP, Zaidipalli passed a resolution on 12-12-08 to execute the work of gravelling over existing WBM road from Zaidipalli to Godamguda through Sri B.Shiva Reddy. Based on the resolution, administrative sanction was accorded by the CEO, ZPP, RR Dist vide Procs.No.B1/143/07, dt:06-02-2008 for Rs.4.00 lakhs under RRM Grant. Technical sanction was accorded by the Executive Engineer,PR, Vikarabad vide Procs.No.T4/379/08, dt:02-09-08 based on the SSR of 2008-09. Agreement was concluded vide T4/187/07-08, dt:12-12-08 at estimated rates for Rs.3,65,306/- and period of completion is set as three months

The V&E has verified work and made the following findings:

- Total length of the road is 1490m against the recorded length of 1550m for which an amount of Rs.14,211/- was proposed as recovery.
- There are 5 road dams/culverts existing along the road, the officials made deductions only to 3 road dams/culverts which clearly shows the callousness of the officers in recording the measurements.
- The average thickness of spreading gravel along the carriage way is around 5 cms as against the recorded of 7.5cms. The widths of the shoulders is ranging from 0.4m to 1.1m along left side and 0.4m to 1.2m along right side as against the recorded 1.5mts. on both sides of the road. The thickness of the shoulders ranging from 2cms to 13cms on left side and 3 cms to 10cms on right side as against the recorded of 23cms. An amount of Rs.1,50,726/- is proposed recovery towards shortfall in thickness of blindage gravel & shortfall in widths & thickness of gravel shoulders on either side of the road.
- The officials have made an attempt to record the final bill for Rs.3,97,813/- (vide P.No.36 to 41 of MB No.299/08/A) and the recorded pages have been struck off and pasted with gum for the reasons best known to them only.

The fact that there are recoveries to an extent of Rs.1,69,937/- out of the total amount of Rs.3,65,306/- paid to the contractor clearly proves that the bad quality of work is executed and thus the above Accused Officer has recorded the substandard work in contravention of APCS Rules, 1964.

Hence, the Charge.
